- Collocation is a combination of words in a language that happens very often. / बार-बार एक साथ प्रयुक्त शब्दों का संयोजन Collocation कहलाता है।
- Collocation का प्रयोग Spoken English में बहुत महत्व रखता है क्योंकि ऐसे वाक्य हिंदी से सीधे-सीधे Translate नहीं होते हैं।
- मान लें आप कहना चाहते हैं "मैंने गलती कर दी"। 'करना' का English 'do' होता है लेकिन यहाँ 'I did a mistake' गलत है।
- 'I made a mistake' सही होगा। 'to make a mistake' सही collocation है।
- आइए Collocation के कुछ और उदाहरण देखें।
